

Remarks

The changes above are being made to the text of the international application as amended in the annexes to the international preliminary examination report and are being made to place the application into form for examination under U.S. patent practice. The published PCT application and the IPER including the Annexes are included in the information disclosure statement enclosed herewith. A substitute specification in clean form incorporating the above amendments is enclosed.

Although no additional fees are believed due for filing this amendment, if an additional fee is deemed due, please charge any additional fees due to deposit account no. 17-0055.

Respectfully submitted,

Dated: 12 January 2005
